

POLYETHYLENE (PE) TUBING

- Made from the Highest Quality Low Density Resins for Strength and Durability
- Manufactured to Exacting Standards Ensuring Long Life
- Ideal for Laterals, Manifolds or Distribution Lines in Various Applications
- Exceptional UV and Acid Resistance
- Seven Year Non-Prorated Warranty
- Available in Various Diameters and Coil Lengths

irritec[®]
don't wait for rain[®]

CHARACTERISTICS AND ADVANTAGES:

- Manufactured to stringent quality standards ensuring high durability.
- Made from the highest quality low density resins for long life.
- Seven year non-prorated warranty against defects in material or workmanship.
- Ideal for orchards, vineyards, nurseries, greenhouses and landscape applications.
- Exceptional resistance to UV and acids.
- High quality for extended performance in the field.
- Available in a variety of diameters, wall thicknesses and coil lengths.
- Available with pre-punched holes at various spacings.
- Custom order optional colors: white, brown or purple.

Applications:

ORDERING INFORMATION:

Polyethylene (PE) Blank Tubing

Part Number	Nominal Size	I.D.	O.D.	Wall Thickness	Length	Weight	Working psi
